Company Profile

# ABOUT US

**TYC FINANCE LIMITED** (“TYC Finance”) is a limited liability company (LLC) established in Hong Kong, China. The company provides stocks, Islamic finance compliance opinions, industry news updates and business advisory services and promotes Islamic finance market awareness in the region. The team is capable of combining market and industry insights with Islamic finance and sustainable finance perspectives and providing business support and business consulting services in a customized, localized manner. The company is committed to promoting Islamic finance and sustainable finance in the regional market and, in the process, has gradually grown into a professional financial and capital services provider.

The **First** service provider offering compliance opinions of Islamic finance, commercial consultation, and data service in the Greater China region

Bridging the corporate and market demand;  
Promote **cross-regional trade** and Information Exchanges

Leveraging **Fintech Tools** to Provide **Standardized and Customized Data Services** and to build the Islamic Finance Market Awareness.

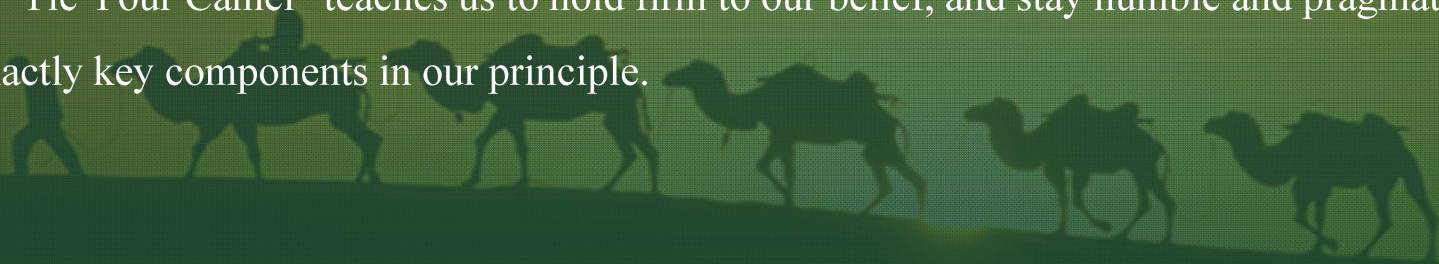

# TYC STORY

TYC comes from the first letters of the saying “Tie Your Camel,” which originates from one of the sayings from the Hadith: One day, a person asked the Prophet, “Messenger of Allah, should I tie my camel and trust in Allah, or should I leave her untied and trust in Allah?”

The Prophet, peace and blessings be upon him, said, “Tie her and trust in Allah.” ( ! اَعْقِلْهَا وَتَوَكَّلْ )

The story of “Tie Your Camel” teaches us to hold firm to our belief, and stay humble and pragmatic, which are exactly key components in our principle.

# SERVICE ADVANTAGES

Professional financial and business teams provide customized opinion analysis reports

Leverage on the market, system and location advantages of Hong Kong and the Greater Bay Area

Customized service advantages and database with multiple data interfaces

The opinion report covers more than 5,000 listed companies listed on HKSE, Shanghai Stock Exchange and Shenzhen Stock Exchange, and provides annual update

The AAOIFI standards, the modern Islamic finance and auditing system is used as a basis

Having combined traditional finance and Islamic finance, and applied modern Fintech and traditional financial concept

# TYC METHODOLOGY

Primarily In Accordance With AAOIFI Standards

## BUSINESS ACTIVITY SCREENING

Leveraging on the business and audit data of listed companies, the company combines the expert suggestions to select and analyze the corporate business activities as well as financial data for more than 5,000 public companies listed on the Hong Kong Stock Exchange, Shanghai Stock Exchange and Shenzhen Stock Exchange.

## FINANCIAL SCREENING

Our company has selected and categorized business activities that involve alcohol, tobacco, pork, traditional financial service, derivative product trading, gambling, erotic entertainment service, national defense and ammunition as “unacceptable” .

- We calculate the scale of the business operation and revenue ratio, and those surpassing specific ratio will be identified as “non-compliance.” 。
- We assign “indeterminacy” label for controversial and ambiguous business activities 。
- We select certain principal financial ratio to conduct tests as “ screening criteria” 。

## MARKET SENTIMENT

By collecting and reflecting user’s feedback and market sentiment, we make correction and confirmation on the suggestions

# ABOUT AAOIFI

- The Accounting and Auditing Organization for Islamic Financial Institutions, abbreviated as AAOIFI, was established in 1991 and headquartered in Bahrain. It is a leading international non-profit organization that is mainly responsible for formulating and publishing relevant standards for the Islamic financial industry worldwide.
- AAOIFI is recognized and supported by many members, including central banks and regulatory authorities, financial institutions, accounting and auditing firms, as well as law firms in more than 45 countries.
- Most of the leading Islamic financial institutions around the world have complied with AAOIFI standards. AAOIFI is also responsible for introducing and coordinating the progress of Islamic financial practices around the globe.
